January 2012

Friends of Middle Valley Community Center,

Your Middle Valley Community Center membership is up for renewal and by renewing you help support the Center.

Our interior painting plans are back on track. This year we will continue to repair our old plaster walls to accept a new coat of paint and then address the ceiling repairs. The ceiling is one of the nicest features of the building and it is our desire to preserve something that past workers put a lot of effort and pride into fabricating.

Please remember to visit our web site to check for event information and use the site e-mail link to supply us your e-mail address so we may add you to the MVCC distribution list. Our e-mail list is for MVCC use only such as distributing our newsletter or informing members of MVCC events.

The web address is http://www.middlevalleynj.org and you may also electronically donate on the site using the PayPal link located on the Membership page.

Thank you for your continued support and generosity.

Sincerely,

Middle Valley Community Center
